

The First Congregational Church of Ridgefield
Questionnaire & Survey of Needs

As we begin the master planning process for the First Congregational Church of Ridgefield, we would like to gather as much information as we can from the Congregation. This includes your physical space needs as well as your ‘wish list’ and vision for the FCC’s future. Please take a moment to fill out this questionnaire. We have left additional space at the end for anything you would like to tell us that is not covered in our survey. Please return this to your ministry chair or to Ruth’s office mailbox when complete. Surveys are due no later than Friday, October 21, 2011.

Thank you so much for your time, we look forward to working with you as we develop the master plan vision for the FCC together!
